

MARA NET "Script"

Good evening to all those listening and welcome to the Mound Amateur Association Net which meets every Monday at 1900 hours. The repeater frequencies are 145.330, 147.195, and 443.000 with a PL of 88.5, and are assigned to the Mound Amateur Radio Association under the call of W8DYY and are located in Miamisburg Ohio.

The MARA Club extends its welcome to all amateurs that wish to participate in the net. The purpose of the net is to make new friends, reacquaint old friends, and to be brought up to date on club activities. This is (your call) acting as net control and opening the net. The priority used to handle traffic will be mobiles, public service announcements, and all other stations in order of check-ins.

1. Is there any mobile traffic at this time, please call (your call) now.
2. Is there any public service announcements at this time, please call (your call) now.
3. All station check-ins, please call (your call) now please check-in with call, phonetic and name, slowly.

Recognize those calls which you receive, in case someone doubles.

Ask for additional check-ins frequently.

Presidents report last.

After all traffic has been handled, close down the net with the following:

This is (your call) acting as net control for the Mound Amateur Radio Association Net. I wish to thank everyone for making the net enjoyable and hope we can all meet here again next Monday night at 1900 hours on (list net weeks freq. and op). We had a total of (#)check-ins. I would like to invite everyone to the MARA Monday Night Ragchew at the close of this net on 10 meters at frequency 28.375 SSB. Thank you for participating and good evening to all those listening this is (your call) closing the net at (local time). This frequency is now returned to normal amateur radio use, this is (your call) clear.
